

DRIVER OF THE YEAR

Competition 2009

By popular demand, Combilift is once again holding regional heats throughout the year, which will culminate in a national final to find the Combilift Driver of the Year 2009.

- **Have you got the multi-directional ability it takes to operate a Combilift around a challenging course?**
- **Can you carry out exact manoeuvres, with a variety of loads, against the clock?**
- **Do you know your Combilift inside and out?**
- **Can you avoid penalty points for unsafe operation?**

IF YOU WANT TO PIT YOUR SKILLS AGAINST SOME OF THE TOP COMBILIFT DRIVERS IN YOUR AREA, REGISTER FOR THE SOUTHERN REGIONAL HEAT NOW!

The competition is being held during the Health and Safety 09 Exhibition, and all entrants will naturally have free admission to this event.

A representative from Mentor Training, the UK's leading provider of operator training will once again be overseeing and judging the competition to ensure the highest level of adjudication.

The final of the 2008 competition was held at Combilift's premises in Ireland as part of the company's 10th anniversary celebrations. The overall winner was Alan Cooper from Timbmet's Oxford site.
